

## Let's Fix Our Roof

The Kennebecasis Rowing Club is in a building that is 35 years old - this is the same building where you spent a portion of your life rowing out of. Early mornings, watching the sun rise over the Kennebecasis as your coach called for you to bring up the rate for yet another 3 minute piece. Or those early season practices when your hands were so cold that it was hard to hold the handle. Or those days where your hands were blistered, back was sore and your muscles ached. Then there was the competitions in Nova Scotia, Fredericton, Montreal, St. Catherines and other places. But most important of all were the friendships, the great memories and the lessons learned of dedication, commitment, hard work and discipline.

Like many buildings that are 35 years old, our club needs some maintenance. Within the next 2 years the roof will be replaced at a cost between \$12,000 and \$18,000.

Our club continues to be well run and is financially sound. We have solid coaching and athletes that are training hard and achieving great results. This past summer in July, our club competed in Montreal against clubs from Ontario, Quebec and the rest of Atlantic Canada. The results were impressive with several medals and our club came 3rd overall out of 15 clubs. We. Are doing well.

With those results we have stated this campaign to raise funds for this special project. By having a unique campaign, we can continue to use our operating funds on things critical to the development of our coaches and athletes. We want today's coaches and athletes to benefit from the same investments each of us benefited from in the past. This is a chance to give something back.

## Let's Fix Our Roof

This campaign is aiming to raise \$12,000 to significantly assist in the repair of the rowing club roof. To maximize the benefit to our contributors, any Canadian contributions will receive a tax receipt through the Canadian Sports Trust Fund. Sorry if you live outside Canada this is not available but you benefit from a stronger currency than the Canadian dollar. Therefor a little can go a long way.

The exciting news about this campaign is that we are currently already  $\frac{1}{3}$  of the way there. We have already raised \$4,000 through the generous contributions of several alumni. Big or small, any contribution you can make will help greatly.

- Online Contribution at [www.KennebecasisRowingClub.com](http://www.KennebecasisRowingClub.com) and select the *Repair the Roof Campaign* link.

- Send a cheque to:  
Repair the KRC Roof  
attn: John Oxley  
PO Box 4597  
Rothesay, NB  
E2E 5X3.

Cheques are to made out to **NB Amateur Sport Trust Fund**. In the lower left of the cheque, write **KRC-Repair the Roof**.

Canadian residents a tax receipt will be provided NB Amateur Sports Fund directly to you.

I understand that we all receive many, many requests for financial support and contributions. However, with your support, in any size, we can keep our clubhouse in shape for another 35 years.

Check the KRC website for updates and Thanks for your support.
