

## **KENNEBECASIS ROWING CLUB**

### **Boat Naming Policy**

All boats owned by the Kennebecasis Rowing Club, both new and acquired will be named. Boats purchased by the club should be renamed at the time of acquisition. Privately owned boats are at the discretion of the owner.

The naming of a boat provides a legacy and connection to the past, reflecting the best of the club. Naming a boat is to honour people who have made significant contributions to rowing and the club, whether they be alive or have passed away

Boats will be named based on the following criteria in the listed order.

1. Individuals that were on the Canadian National team and rowed for Kennebecasis Rowing Club for at least 1 year.
2. Club volunteers with a long history of service with the club. Board members and significant volunteers, including coaches, with at least 5 years of service. Significant volunteers are those that are engaged regularly with club.
3. An individual or organization that has made significant contributions to the sport of rowing. This could be an elected official, a business, or another major contributor.

To name a boat a formal motion must be approved by the board. Within 6 months of the motion being passed the boat is to be named. A formal or informal ceremony can be held for the naming.

All boats will be named with a font that is about 2 inches tall. The club colors are to be used with black being used on any white hulls and pink being used on black hulls.

If a boat is sold, the club can remove it from the boat and reuse the name.
